1 October 2019

Dear Sir/Madam

M48 & M4 Severn Bridges maintenance closures

Highways England plans, designs, builds, operates and maintains England's motorways and major A roads. I am writing to let you know about forthcoming maintenance works on the M48 and M4 Severn bridges.

The works

We'll shortly be carrying out essential maintenance on both the M4 and M48 bridges crossing the river Severn. This work has been coordinated to ensure that access is maintained on one or other of the bridges for the duration of this work.

When will the work take place?

We have listed our programme of works overleaf. Please note that the precise dates and times of the works may be subject to change due to weather conditions or unforeseen circumstances. Where possible, we'll keep you updated of significant changes via advance roadside warning signs, press notices and Twitter. You can also monitor www.trafficengland.com to keep up to date.

Please accept our apologies in advance for any inconvenience or disruption you may experience during this essential safety work. We'll make every effort to carefully manage the impact on motorists.

Find out more

If you have any questions, or if you would like to know about our work, please contact us on **0300 123 5000** or email info@highwaysengland.co.uk. Or you can visit our website at highwaysengland.co.uk/roads/

Yours faithfully

Andrea McAllister
Highways England
